RATES OF ADVERTISING. Newspaper proprietors generally, and especially of this ity, under the usages and regulations heretofore prevacing are called upon to perform more labor without remunera-tion, than any other class of community. The gratuitous publication of charity and religious advertisement, and com-munications, tributes of respect, obitoaries, &c. &c., which can only be inserted at a heavy cost to the proprietor, imposes upon them a burden so opprous, that they feel called upon, in self-defence, to check the abuse, by making such upon, in self-defence, to check the abuse, by making such publications a charge, to some extent at least, upon the parties more immediately interested. In this they are but following the example of the press in other cities, impelled by a sense of its intrinsic propriety, and imperative duty to themselves. The subscribers have, therefore, united together in a mutual agreement, upon the to lowing specified terms or the publication of these as well as every sort of regular business advertising.

STEAM ENGINES. 57 Pearl street, Brooklyn, N. Y., [Opposite New York City.]

These celebrated Spectacles are made of Brazilian Sand, and known under the name of Brazilian Pebbles, and constructed in accordance with the philosophy of nature, in the peculiar form of a concavo-convex mirror, admirably adapted to the organ of sight, and can be used by the old route with dispatch all orders in the above line to an unlimited extent. The universally acknowledged superiority of Woodsworth's Planing Machines, manufactured by him, over all others, requires no reiteration.

In the manufacture of STEAM ENGINES, we claim a superiority for power and speed, beauty of construction and finish; and also guarantee the engines to transmit 100 per cent more power for the same money than can be furnished by any other manufacturer, and more than 100 per cent sav-ing in year and tear, as well as a large saving in the con-

traveling in all sections of the country. Letters by mail address JOHN IFSTER, 57 Pearl st., Brooklyn, N. V.
